

Has your destination wedding been affected by coronavirus?

We are truly sorry to hear that your destination wedding has been affected by the ongoing coronavirus. Here at Highfield Park we will endeavour to do whatever we can to help you try to relocate your wedding to our venue so that your special day can still take place.

Highfield Park is licensed by Aldershot Registry Office for civil ceremonies to take place on site. You must give a minimum of 29 days 'notice' to be able to get married by the registrars. If you do not have enough time to give notice for the legal ceremony to take place, another option would be to have a blessing or ceremony conducted by a celebrant on site and then visit your local registry office to have the legal ceremony at the next available date. You will need to check availability with the registrars as this is out of our control.

Highfield Park are more than happy to go through your requirements and discuss what we can offer for you. This will be a bespoke service so that the pricing and package is tailored to exactly what you wish to have.

We have a variety of weekend and weekday dates available for the remainder of 2020.

If you do then re-locate your wedding to Highfield Park and confirm, we will offer to have a one to one hour long consultation with you to assist wherever possible on suppliers to tie up the final pieces to finish the planning of your wedding at Highfield Park.

Please contact our wedding team on 01189 326369 or email wedding.team@highfieldpark.com and we will be more than happy to discuss how we can help.
